### UNPUBLISHED DECISION<sup>1</sup>

On November 3, 2021, the parties filed a joint stipulation concerning the petition for compensation filed by C.H. on December 14, 2018. In her petition, petitioner alleged that the hepatitis B and inactivated polio (“IPV”) vaccines, which are contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a), and which I.H. received on March 6, 2017, caused I.H. to suffer idiopathic thrombocytopenic purpura (“ITP”). Petitioner further alleges that I.H. suffered the residual effects of this injury for more than six months. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of I.H. as a result of his condition.

Respondent denies that the vaccines caused I.H. to suffer from ITP or any other injury.

---

<sup>1</sup> Pursuant to Vaccine Rule 18(b), C.H. filed a motion to redact her name from the decision. This motion was granted and the decision is being otherwise released to the public.

Nevertheless, the parties agree to the joint stipulation, attached hereto. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

- a. **A lump sum payment of \$7,632.84, which amount represents reimbursement of a lien for services rendered on behalf of I.H. by Wellcare, a Medicaid plan, in the form of a check payable jointly to petitioner and Equian, and mailed to:**

**Equian

Tax ID #: 27-0083277  
Equian Event Number: 45764645  
Legacy Case Number: 995746  
Attn: Michael Zyrowski**

- b. **An amount sufficient to purchase the annuity contract described in paragraph 10 of the stipulation, paid to the life insurance company from which the annuity will be purchased (the “Life Insurance Company”).**

**These amounts represent all other damages that would be available under 42 U.S.C. § 300aa-15(a).**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment according to this decision and the attached stipulation.<sup>2</sup>

**IT IS SO ORDERED.**

<sup>2</sup> Pursuant to Vaccine Rule 11(a), the parties can expedite entry of judgment by each party filing a notice renouncing the right to seek review by a United States Court of Federal Claims judge.

## STIPULATION

1. On behalf of her son, I.H., petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to I.H.’s receipt of the hepatitis B (“Hep B”) and inactivated polio (“IPV”) vaccines, which vaccines are contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).

4. Petitioner alleges that the vaccines caused I.H. to suffer from idiopathic thrombocytopenic purpura ("ITP"), and that I.H. experienced residual effects of this injury for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of I.H. as a result of his condition.

1

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment for all damages that would be available under 42 U.S.C. §300aa-15(a):

- a. A lump sum of \$7,632.84,<sup>1</sup> which amount represents reimbursement of a lien for services rendered on behalf of I.H. by Wellcare, a Medicaid plan, in the form of a check payable jointly to petitioner and Equian, and mailed to:

Equian  
P.O. Box 182643  
Columbus, OH 43218  
Tax ID #: 27-0083277  
Equian Event Number: 45764645  
Legacy Case Number: 995746  
Attn: Michael Zyrowski

- b. An amount sufficient to purchase the annuity contract described in paragraph 10 below, paid to the life insurance company from which the annuity will be purchased (the "Life Insurance Company").

9. The Life Insurance Company must have a minimum of \$250,000,000.00 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;

---

<sup>1</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Nebraska may have against any individual as a result of any Medicaid payments Wellcare has made to or on behalf of I.H. as a result of his alleged vaccine-related injury suffered following vaccination on or about March 6, 2017, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

10. The Secretary of Health and Human Services agrees to purchase an annuity contract from the Life Insurance Company for the benefit of I.H., pursuant to which the Life Insurance Company will agree to make a certain lump sum payment to I.H. for all other damages that would be available under 42 U.S.C. §300aa-15(a), as follows:

- a. \$80,325.59 payable in a certain lump sum on December 8, 2026.

The payments provided for in paragraph 10 shall be made as set forth above. Should I.H. predecease the certain lump sum payment set forth above, the certain lump sum payment shall be made to his estate. Written notice to the Secretary of Health and Human Services and to the Life Insurance Company shall be provided within twenty (20) days of I.H.'s death.

11. The annuity contract will be owned solely and exclusively by the Secretary of Health and Human Services and will be purchased as soon as practicable following the entry of a judgment in conformity with this Stipulation. The parties stipulate and agree that the Secretary of Health and Human Services and the United States of America are not responsible for the payment of any sums other than the amounts set forth in paragraph 8 herein and the amounts awarded pursuant to paragraph 12 herein, and that they do not guarantee or insure the future annuity payment. Upon the purchase of the annuity contract, the Secretary of Health and Human Services and the United States of America are released from any and all obligations with respect to the future annuity payment.

12. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

13. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

14. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 12 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

15. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of I.H. as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

16. In return for the payments described in paragraphs 8 and 12, petitioner, in her individual capacity and as legal representative of I.H., on behalf of herself, I.H., and his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages,

loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300 aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of I.H. resulting from, or alleged to have resulted from, the vaccinations administered on March 6, 2017, as alleged by petitioner in a petition for vaccine compensation filed on or about December 14, 2018, in the United States Court of Federal Claims as petition No. 18-1920V.

17. If I.H. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

18. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

19. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 12 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

20. Petitioner hereby authorizes respondent to disclose documents filed by petitioner in

this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

21. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the Hep B and/or IPV vaccines caused I.H. to suffer ITP or any other injury or condition.

22. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns as legal representatives of I.H.

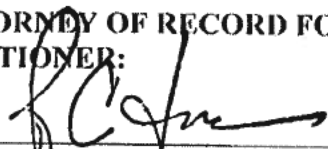

END OF STIPULATION
